Velocyverse

CERTIFICATE

OF INTERNSHIP

This certificate is proudly presented to

Magisha Gopi

This is to certify that Magisha Gopi has completed her internship tenure as a **Cybersecurity Intern** at **Velocyverse Pvt. Ltd.** from **April 2026 to October 2026.**

During the internship, she gained exposure to professional cybersecurity practices, industry methodologies, and real-world business environments. The internship provided opportunities for practical learning, technical research, problem-solving, documentation, and participation in assigned activities, contributing to her understanding of cybersecurity principles and professional workflows.

We wish her continued growth and success in her future career.
